

## Manuals

The official **NolaPro**<sup>®</sup> boxed set of operations manuals are now available for purchase.

You've likely already realized the depth of **NolaPro**<sup>®</sup>, the best free accounting software available today. So if you want your accounting staff to be just as good, then here's the way to do it: order the entire 9-volume set of authorized manuals.

For less than \$30 even the stingiest bookkeeper would ask herself: "How can they do that so cheap? That's less than \$3.33 each!" Never mind how! Just go ahead and take advantage of us before we learn about modern predatory pricing.

There are NINE manuals in this series arranged as follows:

- Lesson 1: **Getting Started**
- Lesson 2: **Orders & Point of Sale**
- Lesson 3: **Receivables**
- Lesson 4: **Inventory**
- Lesson 5: **Payables**
- Lesson 6: **Payroll**
- Lesson 7: **General Ledger**
- Lesson 8: **Administration**
- Lesson 9: **Business-to-Business**
