

# WINDOWS DOWNLOAD UPDATE GUIDE

Click on “Get Updates” in the ‘Add-Ons & Updates’ section of the left sidebar menu.

The screenshot shows the NolaPro dashboard interface. At the top, there is a navigation bar with tabs for Contacts, Orders, Inventory, Billing, Payables, Payroll, Ledger, Tools, Admin, and Reports. Below this is a sub-navigation bar with links for My Info, Setup - Admin, Setup - Orders, Setup - Inventory, Setup - Billing, Setup - Payables, Setup - Payroll, and Setup - Ledger. The main dashboard area is divided into a left sidebar and a main content area. The sidebar contains sections for Setup To Do's, Add-Ons & Updates, and Quick Help. The Add-Ons & Updates section has two items: 'Get Updates' and 'Multi-Currency Module'. A red arrow points to the 'Get Updates' button. The main content area is titled 'Dashboard' and contains several widgets. The first widget is a greeting: 'Good Evening, Admin' with the date and time 'MAR 15, 2012 9:17 PM'. Below this is a weather widget for Islamabad, showing 'Mostly Cloudy 21 %'. The next widget is 'Since Your Last Logout' with statistics: 549 - New Orders, Fulfillment - 380, and Service - 169. Below that are counts for 1 - Unconfirmed Orders, 572 - Shipped Orders, 362 - New Customers, and 5 - Open Fulfillment Quotes. The final widget is 'Customer Purchase History' with links for 'Customer Purchase History >>' and 'Item Purchase History >>'. The main content area also features two tables: 'Open Orders Nearing Due Date' and 'Open Orders Over Due Date'. The 'Open Orders Nearing Due Date' table has one row for Order 1846, Customer Saif (ISB), Due Date 2012-03-17, Pending Rs9,600.00, and Completed Rs0.00. The 'Open Orders Over Due Date' table has five rows for various orders, with a total of 5 orders over due date, totaling Rs2,242,000.00 pending and Rs258742.00 completed.
